

Across the UK, May is the launch of the inaugural National Wine Month and D&D London would like to invite you to join us in celebrating all things wine! Throughout our collection of restaurants you will find a wide variety of unique and unusual wines offered by the glass, some terrific wine tastings and wine-maker hosted dinners. Our next wine dinner is being hosted by Pascal Fallo from Mas de l'Écriture in the Languedoc. Pascal is producing some stunning wines from my favourite part of France, the Languedoc and it's our pleasure to be able to offer the L'emotion by the glass, pot and bottle, or even just a taste! For more details about our wine dinners ask a member of staff for more information.

Remember, May is all about wine exploration and discovery therefore we are encouraging our guests to try a new wine or discover a region you've not explored before.

Go on – Make Time for Wine.
