About Obicà

Obicà Mozzarella Bar is a casual and contemporary Italian restaurant. With its friendly welcoming atmosphere, its warm and bright design, Obicà proposes a genuine Italian dining experience centered on the freshest Mozzarella di Bufala Campana DOP from Italy, fresh homemade pasta and other authentic products from Italy's rich regional heritage.

Started in Italy in 2004, today Obicà has restaurants in international gateway cities such as Rome, Milan, Florence, London, New York, Tokyo and Los Angeles, where it continues to delight fans of fine Italian food wherever it opens.

Obicà cuisine: freshness, simplicity, authenticity:

Obicà brings classic and regional Italian cuisine to the new levels of taste of contemporary gourmets. The focus is on the ingredients: fresh, organic local produce paired with a curated selection of imported Italian artisanal specialties. Our light cooking methods respect the quality of these ingredients, combining them in dishes which delight the eyes as well as the taste buds.

Obicà offers a sommelier-curated selection of more than 100 wine labels from the most interesting Italian producers; at the bar our cocktail program reflects the same values as our kitchen: the quality of ingredients first and foremost. The best spirits are mixed with fresh herbs, fruit and vegetables; syrups, infusions and juices are homemade daily.

Obicà hospitality: welcoming atmosphere, competent service

We strive to make our restaurant a place where people feel welcomed, comfortable and enjoy their stay. The private dining rooms are warm, inviting and can easily accommodate the seating necessity. The highly trained staff loves to share their passion about the food they serve, and their goal is to make every lunch or dinner an unforgettable experience, be it one guest sitting at the Mozzarella Bar or a private party.

Our Location

Located in the south end of the vibrant Charlotte Street, in Fitzrovia, and few minutes away from the trendy West End, Obicà's warm, bright and contemporary design provides an ideal and flexible setting for private events in the bar, lounge, semi-private dining room, or the entire restaurant.

The restaurant extends in two floors. The ground floor features a Cocktail Bar at the entrance serving our range of cocktails made with house infused spirits, a dining area, and an intimate private dining room. The main restaurant area downstairs offers a more formal dining experience, and, for the most adventurous, the Mozzarella Bar where our guests can enjoy the view of the front kitchen staff at work

Along the bar, diners can enjoy the full menu as well as small bites, cocktails and an extensive selection of 70 different Italian wines from all Italian regions.

Events-within-the-event are available such as wine appreciation and tastings, cooking lessons, cocktail creation demonstrations, etc.
