GALLERY ROOM  
AT KINGS PLACE

## A WORK OF ART

The newest, most exclusive dining space in Kings Place, the Gallery Room is the ideal space for a private, elegant dining experience.

Situated on the mezzanine level of this award-winning building, guests will enjoy lavish menus in this decadent yet modern room.

With a dining capacity of 40 as well as the flexibility to offer various room layouts and four different menus, the Gallery Room is one of the most versatile dining spaces in London.

As well as this, with a built in 72" plasma screen, Apple TV, wi-fi and seamless plug-and-play connectivity included as standard, the Gallery Room is perfect for corporate dining that may contain some element of presentation or briefing.

# MENUS

Our Gallery Room menus are written only after our chefs have researched and sourced the freshest, highest quality ingredients. We use the very best produce available, with our four menus centred around the beef and lamb that we exclusively source from our own farm in Matfen, Northumberland.

Our four menus encompass a variety of beautiful dishes. Menu A's three courses centre around a succulent breast of guinea fowl and include a glass of Prosecco on arrival with tea, coffee and chocolates to finish. Menu B features four courses, including 40-day-hung sirloin steak. Menu C includes half a bottle of wine per person alongside its five courses, whilst our luxurious tasting menu features six stunning courses, upgraded wines, a glass of Champagne on arrival and petit fours to finish. Room hire is included in all our menus for groups of 16 or more.
