

*Una carta de vinos no es un listado de vinos. Una carta de vinos es el resumen de un viaje. Es una historia contada a través de las uvas, los viñedos, las bodegas y los bodegueros.*

*A wine list is not a list of wines. A wine list is the summary of a journey. It is a story told through the grapes, vineyards, wineries and winemakers.*

José G. Godoy  
Restaurant Manager – Sommelier
