## FEASTING MENUS

Our head Chef Nieves Barragán has designed our dining menus to offer a taste of traditional feasting from across the vast and varied provincias of Spain.

We serve traditional Spanish aperitifs such as our own label Manzanilla Pasada en Rama which comes directly from the bodega and is great to try before the Para Picar comes to your table. Your main course chosen from the selection of regional specialities will then be brought to your table by your chef and waiting team who will help to serve your feast. All of the dishes will be placed in the centre of the table for you to share.

We are very pleased to cater for vegetarian & vegan guests. Please see the menus for seasonal dishes. Please do let us know in advance of any specific dietary requirements.

All of our menus are seasonal and therefore subject to change. Please do let us know if you would prefer us to serve & plate the food for you.

A discretionary service charge of 12.5% will be added to you bill. Prices include VAT at 20%.
