RESTAURANT

London

Buddha-Bar Restaurant London boasts a great value, innovative wine list. Rich in choice the cellar contains labels from classic European as well as New World vineyards.

Champagne

An elegant selection of champagnes of varying vintages opens the wine list and features the best grand marques as well as some intriguing gems from the most exciting small growers of the region.

White Wines

A comprehensive selection of diverse aromatic whites marries beautifully with Buddha-Bar London's Pan-Asian dishes. The white wines on the list range from the fresh, crisp mineral to those with a zingy acidity and citrus fruit characteristics, all of which have been chosen to balance confidently and harmoniously with the delicious spices that the kitchen skilfully applies.

Red Wines

The red wines featured are all pure expressions of the different regions in France, Italy and Spain. The selection of lightly oaked, round and fruit driven New World wines have been created by some of the world's best winemakers.

The wine list brings together the ultimate pairings to the exciting dishes on the menu. Its liquid contents are a key part of the jigsaw that makes up the buzzy and fashionable atmosphere of Buddha-Bar Restaurant London.

MAGNUM

Large formats have a widely observed track record of maturing much slower than halves or full size bottles. Magnums and above have a slightly lower ratio of head space air to wine volume potentially slowing down the maturation process. Provided that the said wines have been kept in ideal conditions, it is therefore advisable to open a magnum rather than two full size bottles
