FOCUS ON SOUTH AFRICA

It has taken nearly a quarter of a century for South Africa to become one of the most exciting wine regions on the planet. Thanks in no small part to the rise of maverick producers such as Eben Sadie, who has not only helped establish the Swartland as a cult wine making region but firmly planted South Africa on the map.

This new breed of vigneron are producing exceptional wines which reflect the true identity of the Cape's unique terroir and deserve a place on any fine wine list.

Inspired by recent tastings we have managed to secure a limited allocation of these rare wines from some of the leading lights of the South African wine industry. We hope that you enjoy them as much as we do.
