

At Clos Maggiore, we believe that Wine is a beautifully important part of the overall dining experience.

We have created a completely unique collection of wines from around the world.

For the wine aficionado, we offer a list of over 2,500 different wines, which has been awarded the very rare **'Wine Spectator Grand Award'** since 2014.

One of only 70 restaurants in the world and only two in the UK to have achieved this honour.

In **2014** we have introduced the Coravin wine preservation system.

This lets us showcase our finest wine at their peak letting you appreciate just one glass - and taste what was inaccessible before.

*"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing ."*

***Ernest Hemingway***
