

Clos Maggiore

Private Dining

Clos Maggiore

Clos Maggiore is an oasis of calm in the heart of Covent Garden. Influenced by the stylish country inns of Provence and Tuscany its unique interiors create a warmth and intimacy enjoyed by both business and private parties. The conservatory has a fully retractable glass roof creating a bright and airy dining space, particularly lovely during the Spring and Summer seasons. It is transformed at night by candles, starlight and a crackling fire during the Winter months.

Head Chef Marcellin Marc cooks sublime Provençal inspired cuisine with contemporary panache. Marcellin is committed to using locally sourced seasonal ingredients to create perfectly balanced menus which were awarded three AA-rosettes since 2008. Our extensive cellar at Clos Maggiore includes over 2,000 labels and was extended earlier this year to include an additional 400 wines at a low – mid price range.

We are very proud to have been awarded the “Best of Award of Excellence” consistently since 2003 by Wine Spectator and recently their highest and most prestigious award for our wine list “The Wine Spectator Grand Award 2015”.

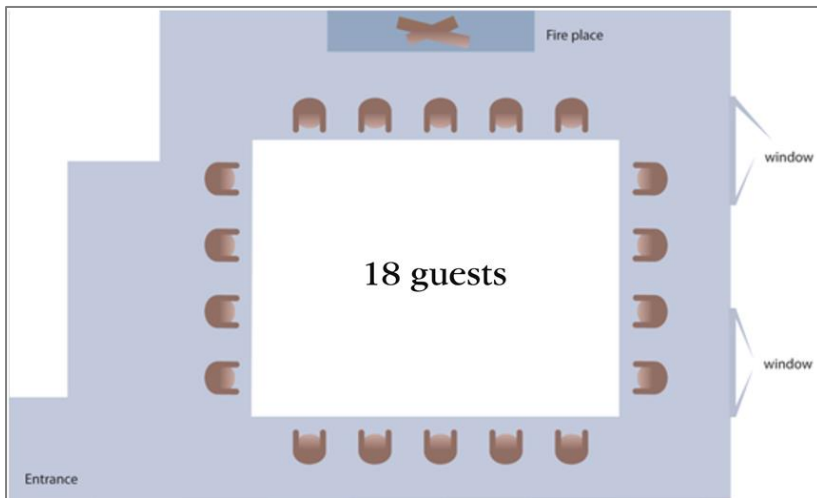

Private Dining

Ideally located in the heart of Covent Garden, our private dining room is the perfect space for private and business gatherings as well as special celebrations. With sumptuous wood panelling and a roaring log fire, the intimate dining room evokes a rich, warm and inviting atmosphere making it the perfect location for any event. Seating up to 23 people, the space can be arranged and dressed to suit your event and our Head Chef, Marcellin Marc, and team will work with you to create a memorable menu to compliment your event.
