## BY THE GLASS & CARAFE & CORAVIN

### CORAVIN by the glass

125ml

The CORAVIN system uses technology that keeps the cork in the bottle, where it's been since the bottle was sealed. Pour glasses whenever you like, and know that instead of oxidizing, the remaining wine will continue to age naturally.

## ARMAGNAC

50ml

---

### Baron de Sigognac VSOP - *Bas Armagnac*

9.90

Sigognac produce Armagnac that can claim to be very traditional in style. As a result of the sand and clay that prevail in the region combined with the Single Continuous, the brandies are robust, full bodied and masculine with notes of prunes and vanilla.

### Armagnac Darroze

Francis Darroze started his business in 1974 as a trader and a producer of vintage Bas-Armagnacs. The initial concept was simple: to create awareness of a region and its extraordinarily varied wine-producing soils, while respecting the originality and typical nature of each estate.

Today the family has around 30 different estates in 'Grand Bas - Armagnacs' region, and 45 vintages.

To preserve the identity of the product and to respect the characteristics of the soil, climate and varieties, Armagnacs are never blended together - even two casks from the same domaine.

## CALVADOS

50ml

**Calvados Dupont VSOP - Pays d'Auge** 14.00

The Louis Dupont Family estate consists of 30 hectares of orchards in Normandy, in the heart of the Pays d'Auge region. For more than 25 years now, the Estate has resolutely followed a path towards high quality.

**Calvados Lecompte - Pays d'Auge, 12 years old** 15.50

The originality of this calvados lies in the exquisite balance of fruitiness and maturity. The calvados gains length and complexity from extended oxydative aging while preserving delicate apple aromas.

Lecompte is also known for its signature touches of cinnamon, nutmeg and cardamom, which are naturally integrated into calvados by finishing the aging process in the port wine barrells.

**Calvados Adrien Camut - Pays d'Auge, 12 year old** 18.00

Since the 1800's, the Camut family has produced 100% estate Calvados from 115 acres of apple trees in the Pays d'Auge. Using 25 varieties of apples, Camut hand-harvests at optimum maturity between October and mid-December, aging the initial cider in oak barrels for ten to eleven months.

In September, the cider is double-distilled in two wood-fuelled stills on the property. No new barrels are used, most are Limousin and average 50 years of age. The blends are as natural as possible.

**Calvados Château Du Breuil - Pays d'Auge, 15 year old** 20.00

The Château du Breuil '15 ans d'Age' is a blend of Calvados aged at least 15 years. The small quantity of younger brandy in the blend gives it its fragrant apple bouquet which then gives way to robust tannins of old mature Calvados. A rich and voluptuous Calvados of great depth.
