About Hush

Tucked away in a charming cobbled courtyard in the historic heart of Mayfair, Hush's iconic townhouse has remained one of London's favourite secret locations for nearly two decades.

Hush was founded in 1999 by former entertainment lawyer Jamie Barber and the late Sir Roger Moore's son, Geoffrey; both passionate foodies with big ambitions and a great address book between them. Over the last 18 years, Hush has become a hugely successful and popular destination for a clientele that mixes savvy Londoners and sophisticated international visitors; deservedly honoured with the prestigious "Test of Time" award at the Tatler Restaurant Awards.

We welcome a variety of events at Hush, from wedding receptions in our luxurious dining room Blades to cocktail masterclasses and after work drinks in our stylish, award-winning cocktail lounge, Aviator.

Our dedicated team would be delighted to talk through the array of options available to ensure that your special event is a memorable and successful one.

PRIVATE DINING ROOM

SIR
Roger Moore
PRIVATE DINING ROOM

In memory of our late co-founder, Sir Roger Moore, Hush is proud to present The Sir Roger Moore Room, established in Winter 2017.

We have been honoured to host many celebratory events with Sir Roger over the years, from intimate birthday parties to our own launch party, and are delighted to be dedicating the private dining room in his name.

Sir Roger became a UNICEF ambassador in 1991, and it was a cause very close to his heart. In recognition of this, and Sir Roger's enduring legacy, for every event held, Hush will be delighted to make a donation to UNICEF, ensuring that every cause for celebration is also an occasion to help someone in need.

Event Planning

The Sir Roger Moore Room at Hush is entirely self-contained on the second floor of the Mayfair townhouse and boasts a private bar, cloakroom and kitchen, all exclusive to your event. There is an abundance of natural daylight from the windows overlooking the courtyard and the room is fully air-conditioned.

The flexibility of the room lends itself to a wide variety of occasions. Whether you are planning a celebratory lunch for 20 guests, a company awards dinner for 60 or a 30th birthday party with a DJ for up to 100 guests.

The background shows a dining area with round tables covered in white cloths and white chairs. A bar area with a wooden cabinet and shelves of bottles is visible on the left. A chandelier hangs from the ceiling, and a large window with dark frames is in the background. A dark curtain is partially visible on the right side of the frame.

BLADES
AT HUSH

BLADES

Blades at Hush harks back to a bygone era, when Mayfair was the place to go for any discerning Londonista. The name is a nod to the private members club of James Bond M, and reflects our ethos that Hush is like a private members club without the membership.

Hush has a natural 60s connection; the windows of Blades look in to Jimi Hendrix's apartment and a selection of 60s photography of Sir Roger Moore and other film stars from Hush co-founder Geoffrey Moore's personal collection line the walls. Together with Hush's natural affiliation with Bond, Blades is an opportunity to rediscover the glamour of the era.

Blades is also proud to showcase one of the most extensive lists of fine and rare whiskies in London, including several lost distilleries of Scotland.

Event Planning

Blades offers a charming and elegant setting for your event and is particularly fitting for intimate wedding receptions, bridal or baby showers. Adjacent to the cocktail lounge on the first floor, the restaurant can accommodate up to 40 guests for a seated reception when hired exclusively.
