New Year's Eve Party 2013 and...STAY LOCAL THIS YEAR

New Years Eve is just a weeks away. I know you will all need to get Christmas Day out of the way before you could possibly think of New Year but NOW is the time to make that reservation.

Proceedings at Le Gothique in the Royal Victoria Patriotic Building will commence with a free champagne reception in the Gothic bar area. A giant balloon canopy will descend at 12 midnight when the sounds will be cranked up for a full on party with live DJ until the small hours. But prior to that Rafal has devised a menu that will be an antidote to all the Christmas poultry you may have been stuffing down in the preceeding week. One thing for sure this will be a turkey free zone!

Herb and spice marinated wild venison slices brought down from the Rannoch Estate and smokery in the Scottish Highlands will contest for favour on your tastebuds with a cognac and cream laced crab soup. For the main course we thought a wholesome Beef Wellington would be the ideal choice for all. Please let us know if you require the vegetarian alternative.

There will be a good French & English Cheese board as well as a selection of desserts. Coffee and petit fours will be served before D.J. Jim kicks in with the sounds that will take us into the New Year and beyond. Tables available from 7.30pm. BOOK NOW !!
