## CHRISTMAS AT THE STAFFORD

The scent of mulled wine lingers in the air, Christmas trees are around each corner and the hotel comes alive with *festive spirit*.

## CHRISTMAS PARTIES

Celebrate in style - lavish menus, exquisite wines, coffee with mince pies, Christmas crackers, and your own private room... all dressed up for Christmas.

There's a superb choice of rooms from the atmospheric Wine Cellars, a venue unmatched by any other in London and where we offer bespoke wine tasting experiences, to the intimacy of our four fabulous private dining rooms. Or, of course, there's the splendour of the Lyttelton Restaurant where you can enjoy the gentle buzz of other diners' conversations and celebrations.

For parties of 8 to 44, choose our inclusive Christmas Party Package, just £70 per guest for lunch or £75 for dinner.

There's a host of festive drinks options including Winter Pimm's, mulled wine and Champagne, or let us tailor make one just for you.

Please call our events team on 020 7518 1287 to discuss your individual requirements and let us hold a date for you in our diary.
