

# THE OAKLEY ROOM

Capacity: Seats 36 Standing 70

Our newly refurbished lounge comprises modern British elegance with comfort and style.

The Oakley Room is highly adaptable and can therefore be used for any type of function or event be it a large drinks party or an intimate dinner.

We can seat up to 36 for dinner and up to 70 people standing. The room also boasts its own bar with draught beer and a wide range of wines and spirits. The plans opposite are just examples of the many configurations you can choose from.

## THE CONSERVATORY

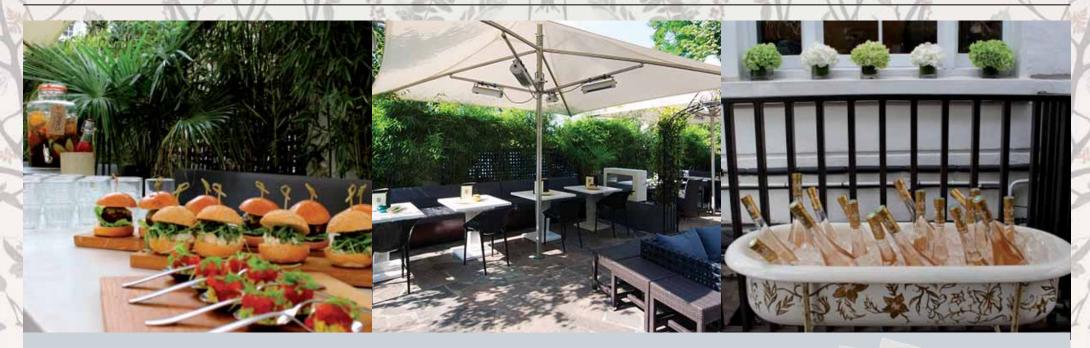

Capacity: Seats 22

Located on the ground floor of The Phene adjacent to the bar, this light and airy space is styled with modern and elegantly quirky features and fabrics. Should you wish to have a dinner party for up to 22 this is the ideal space. With giant antique glass lamps, comfortable fuchsia armchairs and our signature wallpaper, the Conservatory is an elegant relaxed dining space.

## THE AVIARY

Capacity: Seats 16 Standing 30

Located next to garden on the ground floor of the Phene, we suggest booking the Aviary for standing drinks parties of 30 or it can also accommodate dining for up to 16. Its informal nature is best suited to occasions that require the atmosphere of the bar but with plenty of room for your guests to mingle.

#### T's & C's

#### Securing your booking

Your booking will be confirmed once we receive your deposit. This deposit is half your agreed minimum spend. Your deposit payment will be deducted from your bill on the night or refunded back onto your card once the minimum spend has been met. You can make this payment in person through our chip and pin terminals or over the phone with your authorisation. Unfortunately we do not accept cheques or BACS transfers.

The balance is payable on the day of your event.

#### Cancellation

We require at least 15 working days notice if you wish to cancel your booking. If this timescale is not adhered to we reserve the right to retain the deposit.

#### **Guest Numbers, Pre Ordering & Changes**

Please confirm your final guest numbers at least 2 days prior to your event. We ask no later than 10 working days before your event, to receive your choices for food and drinks. Any changes to the food choices must also be made no less than 5 days prior to your booking. We must be notified of any decreases in guest numbers no later than 2 days before the event. Any changes later than this will result in your party being charged for the original number of guests. There can be no more than a 20% total reduction of guests from your party at any point.

#### Noise Levels

Unfortunately, being in such a residential area, we have to be very careful about noise levels and we kindly ask for your cooperation in this.

We are happy for you to use your IPod on our docking stations, but we do ask to keep the volume at a reasonable level and be sensitive to those that live next door. We may ask you to turn this down if it is too loud. If the noise continues to be too loud we reserve the right to turn off the IPod dock and switch to piped music.

Please do be sensitive to our neighbours and keep the noise down when you leave the premises and if you would like a taxi, we can happily order you one.

### **Service Charge**

We do add a discretionary 12.5% service charge to your final bill.

#### **Garden Parties**

To be a good neighbour, we like to make sure we can help our neighbours as much as we can. We do have a strict license that we have to adhere to. This includes, everyone must be sat down from 9pm, with the garden closing at 10pm. As much as everyone loves a good sing song, our neighbours do not, so we ask to keep the noise levels down and be conscious that noise carries down quiet roads like the one we are on. We only reserve areas inside for garden parties with prior arrangement with our events team.

I would like to confirm my booking on the date above and have read and accept the terms and conditions.
