

Grand Cafe Villandry

Wine List

This is a wine list consisting of carefully selected wines from all parts of the world. My philosophy regarding the selection is focused around style and beauty of wine rather than country.

I would like to offer customers a chance to explore different wines by the glass, with the smaller (125ml glass) as the normal size. This way you are free to match a different glass with each course – or enjoy a sneaky extra one towards the end of the meal. Have a bit of fun – mix it up and try something different!

There are also the Wines of the Month on the next page. These wines revolve around the monthly wine tasting event with the winemaker and so bringing the cellar door to you. Old World, New World, natural, grape-specific or just a delightful blend: it changes every month.

Our wine list starts with bubbles to refresh the palate and get the appetite going, moving on to light, zesty whites to complement seafood and starters, through to rich, tannic and juicy reds to balance the richness of, say, a Chateaubriand steak. And of course there is the touch of sweetness at the end of the list.

For those times when you have a special bottle that you would like to share with your friends in Villandry please just enquire about corkage options.

Santé bonheur!

Champagne of the month

Every month we will be hosting a winemaker's event with a chosen producer. Drawing inspiration from this event we would like to offer you the opportunity to try a range of their wines during that month at a discounted price.

Champagne Billecart-Salmon

Billecart-Salmon remains one of the smaller, yet majorly renowned Champagne houses, and one of the few that is still family owned.

Famed for its rose, but also a producer of a range of styles of Champagne.

Billecart-Salmon would have to be one of the most elegant Champagnes when it comes to bubbles and so the best for any type of celebration. In fact, Billecart-Salmon is the ideal way of turning any occasion into a celebration (with added style).

Beers

BOTTLED BEER

Kronenbourg 1664, France3.80

Made with selected malts and an exclusive yeast, this darkish beer with golden highlights has an aromatic hoppiness and a subtle bitterness that comes from a long maturation in the cellars.

San Miguel, Spain4.00

This is a pilsner-style lager, golden in colour, sparkling with a generous white creamy head. The taste is full bodied with a refreshing balance of bitterness from the hops and sweetness from the malt. It has a rich, intense and refreshing flavour.

Hoegaarden Blanche4.00

The original wheat beer is the oldest and most famous of Hoegaarden's range. With an aroma of orange peel, coriander and spice, its characteristic taste is entirely unique: smooth, light-bodied, and simultaneously sweet and sour, with a subtle, spiced citrus flavour.

Guinness4.00

The world's leading stout. Unmistakably Guinness from the first velvet sip, to the last, lingering drop.

Asahi4.00

Japan's no.1 beer. Very crisp and dry, easy to drink, compliments most food.

Huber Premium4.00

A German-style American lager that is easily enjoyed year around. The aroma is of toasty malt with some floral hop notes. The taste is more floral than the aroma with a solid malt undertone.

Budweiser Budvar4.20

A perfect, tangy marriage of perfumed, lightly citrus, floral hops and clean, sweet malt.
