**I**

The first rule of Bunga Bunga, don't tell la polizia about us, there are consequences for snitching.

**II**

Leave all 'family' related conflicts and weapons of mass destruction at the door, including water balloons and custard pies.

**III**

Once the David statue starts dispensing, please be mindful of the décor! The Godfather has refused to replace anything you break.

**IV**

Remember your place in the family, being loud and brash could get you in trouble with Mamma.

**V**

The entertainment is provided for your pleasure but please be reminded do not touch what you cannot afford – these acts are priceless!

**VI**

Do not bring new friends into the fold unless you would happily leave that person alone in your own household. We are running out of space in our meat locker.

**VII**

Each time you see the Imperial Leader you are expected to bow and if invited you may kiss the hand.

**VIII**

A life of Roman slavery will be a consequence of breaching any of the rules.

**IX**

Guests must not linger outside – no one wants to be an easy target!

**X**

Exit the house briskly, quietly and ensure that you are not tailed. We retain the right of plausible deniability.
