

*At Café Rouge,  
we've spent many  
years developing close  
relationships with some  
of the very best wine makers  
and merchants, allowing us  
to offer a selection which delivers  
on our fundamental belief that wine  
is, first and foremost, to be enjoyed.  
With an unashamedly French accent,  
we've also selected offerings from further  
afield to ensure that whether you're looking  
for a celebratory Champagne, a glass of something  
to complement the rich tapestry of French provenance  
of our Charcuterie et Fromage sharing board, or anything in  
between, you'll find just the wine you're looking for at Café Rouge.*

*And, if you have the time to linger, so do we... **join us from  
7.30pm, and the table is yours for the whole evening.***
