Private Dining Areas

Gallery

Nestled at the back of our main restaurant, the room has a backdrop of luxurious velvet drapes, an imposing wine collection and ever-changing display of art from our resident artists. Tables are laid with crisp white linen and beautifully arranged place settings. The main restaurant can be viewed through two unassuming glass-panelled divides, retaining the vibrancy of the main floor of the restaurant while maintaining a more intimate atmosphere within. *Ideal for informal or formal corporate events.*

Art Room

Overlooking the Terrace, the Art Room provides total privacy. Housing works from our most recent exhibitions, the space has a classic feel with a modern twist. Timeless and elegant, the room opens onto the Terrace, as well as on to the main restaurant. *Perfect for formal meetings or smaller corporate dinners.*

Lounge

Set aside from the main restaurant, this is a beautiful, light-filled space with a stylish mix of vintage and modern: sumptuous leather, velvet, shimmering steel, combine to make the room both intimate and inviting. The lounge has direct access through two patio doors onto the Terrace and to the Long Bar. *This versatile space lends itself to drinks receptions and can be used in conjunction with other dining areas for pre or post dinner drinks.*

Dining Room

The main Dining Room of the restaurant is an imposing space framed by glass panels, art and period furniture with an open hatch to our award-winning kitchen, offering views of our chefs at work. Lit by hand blown multi-coloured glass lampshades. The space houses a showcase of artworks and for good measure a Steinway gracing the main floor. Beautifully positioned in the centre of the restaurant the room has access to the Bar, Lounge and Gallery. *The Dining Room is suitable for larger corporate events, offering an elegant sense of occasion with reception and post-dinner spaces.*

Terrace

Situated at the front of the restaurant and surrounded by vines and roses you would be forgiven for believing that you're not in London. The Terrace is partially covered by sails allowing al fresco dining or outdoor receptions. *Ideal for drinks receptions (weather permitting).*

Menus

A la Carte* Select from our à la carte menu, which has been carefully crafted by our head chef to offer the very best of fine Tuscan cuisine.

Set Menus* Allow you to budget for your event, while still allowing choice. These menus range from £35 - £49 / person and represent exceptional value.

Tasting Menu and Wine Pairing* Our Head Chef and Sommelier have created an exceptional tasting menu with wine pairing, bringing wine and food partnerships to life with intricate precision. Perfect for that special corporate event or celebration, these menus aim to impress.

Each dish on the menu is complimented by a paired wine or alcohol and you can choose from either 5 or 7 courses.

Our Chef and Sommelier will be on hand to answer any questions throughout your meal.
