ABOUT US

Comptoir Café & Wine is a smart yet informal all-day café, wine bar and wine shop.

Located in North Mayfair, in the heart of London, behind Bond Street Station, we are open Monday to Saturday for breakfast through to dinner!

Wine is our biggest passion, and we have over 2000 bottles from all around the world, in our shop ready for you to enjoy at Comptoir Café & Wine or at home.

Comptoir Café & Wine is the brainchild of Master Sommelier Xavier Rousset, who also owns Blandford Comptoir in Marylebone, and is co-founder of Cabotte restaurant in the City.

THE CAFE

The ground floor at Comptoir Café & Wine is an airy yet cosy wine bar and café, open from morning until late.

It can be hired exclusively for private events and accommodates 25 seated or up to 50 standing, with platter, sharing-style catering.

The outdoor terrace, seating a maximum of eight, is also included when hiring the café.

THE TASTING TABLE

The wine shop, located on the lower-ground floor, houses 2000 bottles of wine from all over the world, including up to 100 different Champagnes.

You can also hire our tasting table, located in our shop, for up to 12 people - which is ideal for smaller events and private tastings.

There is no room hire when booking the tasting table.

THE LIBRARY

A cosy wood-panelled library is another of the wine shop's hidden gems.

Tucked away in a corner of the shop, the library can accommodate up to six people seated, or 10 people standing.

It can be hired with the wine shop or on its own.

There is no room hire when booking this room on its own.
