Hot Beverages

Loose Leaf Tea Menu by L'unico

L'unico offers definitive examples of Asia's greatest teas, some, seldom seen outside their country of origin. Each tea is skillfully hand processed then vacuum-packed at source for unmatched freshness.

We have taken the liberty of recommending a selection of our loose teas which are suited to mornings.

Royal English Breakfast

Full-bodied black tea with malty plus oak undertones.

Earl Grey

Classic Earl Grey packed with citrus flavours. The blue flower adds a slightly deeper taste and a hint of sweetness. This is an 'any time of the day tea' sure to leave you feeling balanced and happy.

Gunpowder Green Tea

Experience a beautifully delicate green tea with a wonderful thirst quenching taste, a cup of gunpowder green tea will brighten up even the greyest of afternoons.

Whole Chamomile Flowers

Mellow floral depths with gentle and cleansing bitter complexities in the finish.

Peppermint Leaf

Insistent and deep minty flavours with an almost oily mid-palate, subsiding cleanly towards an intensely perfumed finish.
