## INNOVATIVE CATERING

Our in-house caterer H+J creates imaginative and exciting food and will work with you to design your perfect menu.

This canape installation was created by our Head Chef Stuart Cooper, giving delectable sweet canapes a theatrical twist: a real talking point for your guests.

---

---

## CONTEMPORARY ELEGANCE

Prince Philip House at 3 Carlton House Terrace is a historic Grade I listed building set in two John Nash houses and combines Regency style with state of the art AV technology.

---

---

## SOPHISTICATED CONFERENCE ROOMS

With an abundance of natural light and blank canvas potential our rooms can accommodate daytime events for up to 170 (theatre style).

---

---

## VERSATILE EVENING SPACES

The contemporary design of the Prince Philip House interior makes each room versatile enough to be completely transformed for evening events at a moment's notice. The ideal setting for any gathering, from an intimate dinner for 10, to a grand drinks reception for 300.

---

---

## **OUTSTANDING MENUS**

Bold flavours and seasonal produce are used to create simple, delicious dishes, suitable for any occasion. Our published menus are by no means exhaustive and Head Chef Stuart Cooper is more than happy to tailor them to you or your clients' requirements.

---

---
