A place where new ideas can flourish

Fire up your team. Fuel the imagination. At 30 Pavilion Road, we are experts in making everyday meetings something extraordinary.

Whether you are doing a bit of team bonding, hoping to pull in that all-important deal, launching an exciting new product or just after a bit of fresh thinking space, our three versatile function rooms have absolutely everything you need.

With some great little extras, including Wi-Fi, endless coffee and tea, freshly baked pastries and cakes whenever you feel the need.

The Ballroom can accommodate up to 80 guests seated theatre style, 45 guests cabaret style and 30 guests boardroom style. Make use of the cosy library as a breakout area and the beautiful Stone Hall for your breaks and lunch.

As a handy bolt-hole for businesses near and far, we are happy to host informal get-togethers and day bookings. For discussing a new venture or impressing a client, our Roof Terrace has the wow factor, while the beautiful old pine panelling, crammed bookshelves and relaxed lounge seating of our Library lend themselves to brainstorming sessions and company celebrations of up to 80 guests. Add a splash of glitz and glamour to proceedings with a function in our Ballroom, which seats up to 120 guests for lunch or dinner, or infuse cocktail receptions and pre-dinner drinks with the splendour of our stunning Stone Hall. Whatever the style or occasion, we have the space and savoir-faire to make sure it's perfect.

Available for day meetings, conferences and events.

Mouthwatering menus and a red-carpet welcome, whatever the occasion

The house's first high society function was an afternoon wedding reception for 250 guests, held in 1963.

Celebratory meals deserve the most appealing of venues and our Roof Terrace is a lovely secluded haven away from the hustle and bustle of Knightsbridge. Treat friends and family to a specially created seasonal menu and our well-travelled wine list in this private getaway for up to 90 guests. Nestled within ivy-covered trellises, with plenty of comfy outdoor seating, it is a magical and intimate space for entertaining.

If you're looking to seat up to 120 for dinner, our Ballroom provides a supremely glamorous setting. Feast in complete decadence surrounded by stunning marble fireplaces, dramatic gold and black peacock wallpaper, and crystal chandeliers. And there is always our Library for a magical, but more understated meal, or perhaps a wine and food tasting for up to 40 guests.

Inspired menus and perfectly paired drinks.

We have been lighting up the social scene since the 1960s

We are big name droppers.
Well, why not?

We have every right to be. Elizabeth Taylor, Richard Burton, Elizabeth Hurley, Lenny Kravitz, David Emmanuel, Greg Rusedski, Ed Byrne, the Osbournes, the Duchess of Gloucester, and Michael Jackson have all hosted parties or attended events at 30 Pavilion Road.

If you are thinking of getting married here, you are in staggeringly good company. Freddie Flintoff and Rachael Wools had their wedding at the house and Liam Gallagher and Patsy Kensit thought about it too - even if it was a decoy.

We will make your ideas a reality.

If walls could talk they would never spill the beans

We make sure every detail of your event is personal
and just how you imagined it.

At 30 Pavilion Road, you can enjoy fine dining in complete privacy. Our talented team will cater to your every want or whim in luxurious, yet comfortable surroundings. However high your profile or A-list your attendees, we can make sure your event stays under wraps and off the radar.

Our guests are reassured by our heritage, exacting service and almost mythical status that has attracted every member of the Royal Family, world-renowned luminaries, A-listers and high society personalities.

Our easily bookable size, adaptable spaces, dedicated event planning service, and the privacy afforded by our exclusive use hire policy positions us in a league of our own that is without parallel in the industry.

*Dedicated event planners and
thoughtful hospitality.*

Love is all you need, but a stunning location helps

With its rich decor, gorgeous 18th century fireplace, and grand sweeping staircase, our Stone Hall makes a seductive welcoming space.

And of course, when you are handed a chilled glass of Champagne and a selection of the loveliest canapes to try, you know the party has really started.

Then, depending on whether it is a small, intimate affair or a fabulously grand occasion, there is always our ivy-clad Roof Terrace, cosy Library, or spectacular Ballroom to turn things up a notch.

The house's first high society function was an afternoon wedding reception for 250 guests, held in 1963.

If you are looking to seat up to 120 for dinner, our Ballroom is the destination.
