KAIJŌ
EVENTS SPACE

Located on the ground floor, our dynamic events space Kaijō benefits from natural daylight and private access from the street.

The flexibility of the space offers up to 6 different room options over 178 square meters. It is the perfect place to organise any type of meeting or social event, with the unique added value of serving Nobu's iconic cuisine.

Whether you want to host a product launch, trade event, seminar, exhibition, theatre or music event our Kaijō space can adapt to your needs.

In early 2018 we are adding Wedding functions to our offering of unique events flavoured with our distinctive Nobu style.
