

## MAGNUM: THE OPTIMUM WINE VESSEL

According to Food & Wine magazine, the image of “wannabe hip-hop moguls drinking oversized bottles of Cristal in club corners has done nothing for the reputation of the magnum”. We’re not so sure. There’s undoubtedly a sense of theatre and swagger when it comes to ordering a magnum, and there’s nothing wrong with that, but there’s a savvy logic too – you get more bang for your buck. Release your inner mogul and feel good about being frugal(ish).

In 1795 Reverend Samuel Henshall patented the first corkscrew, heralding a golden age of bottle opening ingenuity that included Archimedean Worms, the Narrow Rack King’s Screw, William Bennitt’s Partial Puller and the simple and easy to use Price’s Two Pillar Screw.

## HAWKSMOOR FAVOURITES

### EDINBURGH FAVOURITES

When we started Hawksmoor over a decade ago we'd had enough of suited snobs whispering unintelligible tasting notes into our ears. We just wanted to offer great wine without all the pretension that can go with it. As time's gone on we've got to know lots of talented and passionate winemakers and have got our hands on some exceptional wines at exceptional prices. Here are some of our favourites.
