STAFF FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2023 Pecorino

'Alta Quota', Gran Sasso

Abruzzo

57.5

Grown in the beautiful Majella Mountains, the grapes benefit from the cooling altitude in this otherwise warm and sunny region, retaining a good freshness. Some of the wine is matured for a short period in large old oak that provides a spicy complexity to the green fruit flavours and offers a generosity of mouthfeel. A perfect companion for fish and pasta dishes.

2024 Lugana

'I Frati', Ca dei Frati

Lombardia

67

A wine that transports you to a joyous summer afternoon eating antipasti next to Lake Garda, where this vineyard is located. Super bright and refreshing with enough concentrated citrus and stone fruit flavours to be food a great partner to fried food in particular. Also, a little too dangerously easy to drink by itself...

2023 Vernaccia di San Gimignano,

'Fiore', Montenedoli

Toscana

75

Arguably the best wine from the benchmark producer in this old fortress town of northern Tuscany, Montenedoli. Translated as 'the mountain of little bird nests', the grapes are surrounded by 200 hectares of woodlands, and they continue to farm sustainably. The wine spends a few months resting with yeast cells after fermentation, providing a rounded texture on the palate to stand up to a range of white meat and creamy pasta options.

White Wines from Northern Italy

Encompassing the vast regions of Piemonte in the west to Friuli in the east, all of these whites benefit from the advantage of both cooling mountain influences and the warming effect of both coastal and inland waters.

STAFF FAVOURITES

We've selected a handful of wines that are a little more unusual, boutique or just plain delicious, perfect for those looking for a vinous discovery!

2023 Dolcetto d'Alba

G.D. Vajra

Piemonte

59.5

Translating to 'little sweet one', this grape variety produces juicy, fruit forward wines but, in the hands of a fantastic Barolo producer like G.D. Vajra, you get a little bit extra. The concentration of plum and cherry character is lifted with a touch of florality. Super easy drinking but also works beautifully with tomato based dishes and game birds.

2018 Etna Rosso 'Aetneus'

I Custodi

Sicilia

95

From the custodians of the Etna vineyards, a classic expression of Nerello Mascalese and Nerello Cappuccio grown within lava stone terraces. Soft and supple in texture, with bright dark fruits and a touch of volcanic smokiness. A great all-rounder for a range of food pairings including smoky seafood and salumi.

2018 Lessona

Proprietà Sperino

Piemonte

144

This is an incredibly balanced and elegant Burgundy-style Nebbiolo from an estate owned by Paolo di Marchi of Isole e Olena fame. The Lessona soils create softer tannins than those of the Barolo & Barbaresco. The wine is matured for 32 months in old oak casks allowing for full development of perfumed red fruits, violets and an undertone of meaty and earthy flavours.

Red Wines from Northern Italy

A variety of styles ranging from the elegant yet structured Nebbiolos in the north-west to rich and supple Amarones in the Veneto, whilst international varietals in the Friuli benefit from a freshness borne of the cooler climate. They all share a common juicy acidity that makes them perfect to accompany food.

Red Wines from Southern Italy and Islands

Often neglected in favour of more fashionable regions, here local grape varieties and varied soil composition offer a real sense of terroir and rusticity. The heat of the south is combatted by clever planting at altitude, allowing the grapes to ripen and mature slowly. The wines balance concentration of flavour with a level of freshness to pair with a variety of food.
