PRIVATE DINING  
&  
EVENTS

# GYMKHANA

Located in Mayfair, Gymkhana is inspired by the colonial British-Indian 'gymkhana' clubs. Awarded a Michelin star in 2014, Gymkhana serves contemporary Indian cuisine using seasonal British ingredients with a strong focus on the tandoori oven and chapatti sharing dishes in a convivial environment.

A selection of menus are available for your event including our 7 course signature tasting menu specially created for our private dining rooms. Alternatively, choose from our Hunters Menu or our Feast Menu. Our team of chefs are also available to assist you in creating a bespoke menu specifically tailored to your event.

## PRIVATE DINING & EVENTS

Gymkhana offers an array of spaces suitable for a variety of events, ranging from an informal drinks reception, a corporate dinner, a Christmas party or alternatively a brand or product launch.

The lower ground floor of the restaurant can be hired semi-exclusively for up to 45 guests. This space also incorporates the bar area as well as our private dining vaults, which are located on either side of the room. The lower ground floor provides an intimate setting in informal surroundings to form the perfect event.

The private dining vaults at Gymkhana are suitable for 10 or 14 guests and offer the option of either semi-private or private dining. Guests can also take the whole venue exclusively, accommodating up to 90 guests for a seated dinner, allowing the lower ground floor to be used for a drinks reception before or after their meal.
