

TOZI

RESTAURANT & BAR

PRIVATE HIRE AND EVENTS

WELCOME

TOZI is a friendly, welcoming Venetian-Italian restaurant and bar serving *cicchetti* – small plates designed to be shared, typical of the Veneto region. Our restaurant is located minutes from Victoria train station and underground, in close proximity to shopping centres, theatres and London attractions such as Buckingham Palace and Green Park. TOZI is a Venetian slang word used affectionately to mean “a group of close friends” and our sharing plates menu concept celebrates the Italian tradition of sharing great food with good friends. Ingredients are sourced from independent Italian suppliers and our wine-list is all-Italian too. The bar serves bubbles on tap, barrel-aged Negroni aperitifs made in-house and a range of signature cocktails. We look forward to seeing you at TOZI soon!

“The colourful warmth of the Venetian dolce vita meets London’s sleek sophistication.”

THE VENUE

The TOZI team love to organise parties! Our semi-private dining area accommodates up to 20 people. The room is bright, welcoming and relaxed, dominated by a large, rustic wood dining table, retro Italian photography and our vintage FIAT 500.

We can accommodate all kinds of groups for a simple dinner or lunch party, as well as offering tailor-made cicchetti feast and drinks packages, wine masterclasses and cooking lessons – perfect for team-building, parties or celebrations. Parties can also book the entire restaurant, or bar for larger functions. Please enquire with the TOZI team for a quote – subject to availability.

The Private Dining Room is available to book seven days a week, from 12 pm until 10.30 pm – subject to availability.
