PRIVATE HIRE & EVENTS AT SERATA HALL

Serata Hall is a beautiful and versatile space for all manner of events. From conferences, product launches and large events to breakfast meetings, workshops, and drinks parties. With amazing views over Old Street roundabout, floor to ceilings windows and both an in-house distillery and a bakery, Serata Hall is a very special space.

Our first-floor gallery has a capacity of 80 people standing / 50 people seated and has a private bar, which can be fully stocked for self-service or we will provide a private bar-tender. The whole venue (street level bar and first floor balcony) has a capacity of 400 people standing with an additional large external terrace.

We have an open kitchen with a coal fired oven and three bars over the two floors, as well as mobile bar units and drinks trolleys to create the most flexible options for private events. All our food is made from scratch daily and we can cater for all styles of events. Pastries and cakes from our in-house bakery, finger food and sharing plates (good for sharing over a drink) through to sit down dinners.

The Gallery is available every day of the week for private hire and is open Monday to Thursday 7am till 11.30pm, Friday 7am till 12.30am, Saturday 8am till 12.30am and Sunday 9am till 10.30pm.

PRIVATE BARTENDER & MOBILE BAR

We have a private mobile bar available to hire for £100. The bar comes with your own personal bartender, guaranteeing personal service all evening for you and your guests (whether that's you and your date, or for all your mates). No waiting at the bar.

SMALL BATCH SERATA HALL GIN

Jack, our Head Distiller, makes our small batch gin from our on-site still, Agnes. We make gin in all of our bars, Cattivo and Canova Hall in Brixton and Martello Hall in Hackney. Each bar has its own still and Jack blends a subtly different gin for each bar. Gin is available to buy at £30 per bottle. It is the perfect gift for clients, team or friends.

We can make bespoke batches of gin which you can personalise for your clients, event, wedding or corporate function.

You choose the botanicals, name your gin, create personal gin labels and wax seals for your own batch. You can spend time with Jack, our Head Distiller, to blend your bespoke small batch gin. Jack then makes, labels and wax-seals by hand your own batch. £30 per bottle to take away, but we can offer discounts on larger batches.

GIN MASTERCLASSES

The most perfect team event. Because we distil our own gin, our head distiller Jack also does Gin Blending Masterclasses and our head bartender takes the Gin Cocktail Masterclasses. In the Gin Blending Masterclass you will blend, bottle and name two of your own gins with the guidance of Jack. The class includes five drinks and 400mls of your own small batch gin to take home (allow two hours / £80pp). In the Gin Cocktail Masterclass you will mix, shake and stir your own cocktails. The class includes five drinks and a lot of fun (allow one-and-a-half hours / £40pp).

PRE-ORDERING FOOD AND DRINKS

We have some great pre-order options on food and drinks. It is often cheaper to order food and drinks in advance from our party packages, it's a great way to guarantee a proportion of spending in advance if you are on a minimum spend and your guests get well fed and watered at your party.

Or if you prefer, just order from our menu on the night. Our kitchen is open for as long as the bar is. Which means at the weekend, you can grab pizza from our wood oven until 12.30am Friday and Saturday.
