## THE ORATORY

The Oratory is the perfect location for your proposal. This is a truly remarkable private dining space, rich in history and architectural beauty. Once the original chapel of the house, dating back to the 1600s, it features an ornate vaulted ceiling, warm wood panelling, and exquisite period detailing throughout. Intimate yet atmospheric, this historic room offers a sense of timeless grandeur, creating an exceptional setting for a refined, romantic, and unforgettable experience. On the night of your proposal, a round table for two will be set in the middle of the room with additional tables for candles, gifts and flowers adorning the alcoves.

## THE MENU

At The Milestone Hotel, we celebrate the best of British gastronomy, balanced with seasonal creativity. Executive Chef Daniel Putz presents menus rooted in classic British fare, elevated with modern touches and the finest local produce. Indulge in a beautifully composed six-course tasting menu, or savour three courses from our expertly curated à la carte menu, accompanied by side dishes. We are delighted to share that we cater for all dietary requirements and allergies including vegan, gluten free, dairy free and halal, if details are shared with us in advance.

## SABRAGE

Sabrage is the art of opening a champagne bottle with a sabre, a timeless ritual dating back to the 1800s, invented to mark moments of celebration and joy. As the blade glides along the neck of the bottle, the glass breaks cleanly beneath the cork, releasing the champagne in a moment of pure theatre and sparkle. Performed table-side in The Oratory by a member of the Confrérie du Sabre d'Or, this enchanting ritual is the perfect way to mark the beginning of a magical evening and the first toast to the rest of your lives together.

## DECOR

Your table for two will be lovingly arranged with a vase of red roses or your partner's favourite flowers if preferred, alongside personalised menus, elegant glassware, polished silverware and crisp white linen. Vintage candlesticks provide the final touch, allowing you to dine beneath twinkling light in London's most romantic private dining room. Soft background music sets the mood, though you are welcome to arrange your own classical musicians to make the moment even more unforgettable. Photographers are also welcome in The Oratory to capture every precious memory, the perfect setting for a proposal and the beginning of your forever together.
