THE CONCEPT

Inca London opened its doors in late 2021 and has fast become the top new London restaurant thanks to our exquisite Latin American food, energetic atmosphere, and our commitment to the highest level of service for our guests.

Our London dinner and show draws inspiration from the passion and cultural diversity of South America to deliver an unforgettable journey that combines seasonal dishes of the freshest and carefully sourced ingredients with the know-how of head-chef, Davide Alberti.

We lean on the cultural diversity and gastronomic heritage of an entire continent to transport diners via a sensory blend of colours, aromas and flavours that deliver an explosion of genuine Latin spirit. From raw Peruvian ceviche to the highest-grade grilled meat, our chefs--in their open-show kitchen--use age-old and cutting-edge techniques to encapsulate the soul of a culinary tradition that has stood strong for centuries.

Our high-end restaurant is designed around a centre stage where our live performers interact with diners, moving through the venue with a theatrical and passionate flair. From the minute you step foot in our South American restaurant in the heart of London, you become part of a journey you'll want to never end.

The eclectic mix of singers, dancers and acrobats deliver a high-energy performance that will leave you dazzled and screaming for an encore.

Simple yet stand out, INCA brings the outside in, to create an unexpected space hidden in the heart of Mayfair. An internationally inspired sharing menu that focuses on seasonal, fresh ingredients and flavours. Accompanied by eclectic cocktails and a range of carefully selected wines and spirits – promoted through award-winning innovative concepts and exclusive events.

The INCA London experience begins on the stairway down, but our bar is where our guests first experience the flavours Latin America has to offer. Enjoy a drink before you dine in our magnificent bar and lounge area and choose from one of our unique cocktails or from our extensive wine and spirit list.

INCA encompasses a lively atmosphere from the restaurant through to the LUNA Night Lounge, coinciding with the move from day to night. We call on all experiential enthusiasts to immerse themselves in this deep dive into the lustrous nature of our selection of South American inspired serves, taking a look at some twisted classics and the transformative effect of flavour in food & drink, encouraged by adventurous discovery.

We have curated a journey of innovation, using age-old Mayan hieroglyphs, relating back to their original meaning to reflect the raw nature of our cocktails. Disconnect from the modern world and reconnect with the elements through immersive flavours and aromas.

This lively, enticing new venue was built to inspire togetherness, joy, and life open from 20:00 until 01:00 from Wednesday to Sunday.
