# VINOLY *EXPERIENCE*

As part of the Vinoly experience, we offer a series of carefully curated wine packages featuring exceptional bottles from renowned producers, iconic labels, and some of the world's most celebrated wine regions.

Our selection includes rare and highly sought-after wines, with each package expertly designed to showcase the character, history, and style of its region and producers.

You may select a package at a fixed price, which includes between 5 and 10 bottles of wine, all personally presented and served by your own private sommelier throughout the experience.

**We can also curate a bespoke tasting for each guest, tailored to individual tastes and budget.**
